MIDWAY SURF RESCUE COMMUNITY HUB

Mana Moana, is almost officially complete. The hard work and dedication that has gone into this project has been truly exceptional. Thank you to the Midway Surf Rescue Community Trust and the team at Dawson Building for delivering over and above our expectations.

Very early on Monday the 9th our beautiful new Midway Surf Rescue Community Hub was blessed by the wonderful Kaumātua of Ngai Tawhiri. We are all very grateful to everyone that has helped us along this journey.

We welcome home Midway Surf Life Saving Club members, welcome to their new home, Tahu, The Kiosk and Gisborne Boardriders. We look forward to sharing our special place with all of you in Tairāwhiti/Gisborne from Saturday November 4th.
