MIDWAY SURF RESCUE COMMUNITY HUB UPDATE JULY 2023

We are excited to provide you with an update on the progress of our clubhouse project. Over the past weeks, we have witnessed a flurry of activity on-site, and I'm pleased to share the latest developments.

The dedicated efforts of our skilled tradies working with Dawson Building have resulted in the successful near completion of all the major interior installations. This includes the electrical, plumbing, fire protection, communications and other essential fixtures, ensuring that our clubhouse is well-equipped to serve our needs and that of the community. The gib stopping is near complete with undercoating underway. Once the undercoat is in place, we will be ready to move on to the next exciting phase – painting!

This is where our vision for the clubhouse really starts to come to life. The finishes have been carefully selected to align with the unique spirit and character of Midway, from the past through to the future. Over the next few weeks you'll see the decks come to life with the exterior fire-escape stairwells being installed and the landscaping underway.

As things stand, we are on track with our project timeline. The successful completion of each phase brings us closer to welcoming you all to your new home at the start of the summer season, and we're optimistic that the final result will exceed your expectations.

The Midway Surf Rescue Community Hub as it will be known, will host our Surf Lifesaving Club with its own Members Lounge. What you may not know is that we also have a purpose-built Board/Meeting Room and a Community Lounge for hire, spacious enough for Weddings, Celebrations, Conferences and Community Events. No more going up those stairs! We have an internal lift available to ensure our place is welcoming to everybody in our community.

Good drainage and plumbing is key

Midway SLSC Members Lounge

BOOK YOUR CHRISTMAS PARTY NOW!

To support your club we want you to spread the word, the most iconic and stunning place on New Zealand's East Coast to host any event is the Midway Surf Rescue Community Hub. We are now taking bookings from 1 DECEMBER 2023. So get your Christmas function booked today and spread the word!<https://midwaysurf.org.nz/venue-hire/>

DON'T MISS OUT ON THIS ONCE IN A LIFETIME OPPORTUNITY!

To secure your spot in local history, please consider purchasing a Cornerstone. There are only 130 available and we have already sold over 50, some have been purchased by ex-clubbies from long ago that still call Midway home and want to keep that link alive for future generations.

These will be in the front entrance lobby forming a piece of artwork so don't miss out, order today by contacting Midway Surf Club Manager, Gina on 06 8675500 or by email admin@midwayslsc.co.nz
